Dear Adenike Fasanya,

We are pleased to announce that you have been nominated as an outstanding mortgage professional by your peers in the mortgage industry.

You have been nominated "Broker - Loan Officer of the Year" for 2008.

The Illinois Association of Mortgage Professionals will honor the nominees and award winners at the 13th Annual "Industry Awards Night" celebration on Thursday, February 12, 2009.

The winners of over 20 awards will be announced at this gala event. The celebration will be held at The Carlisle in Lombard, IL. (Note the change in location). The evening will begin with a Industry Award's Cocktail Party at 6:00pm, Awards Presentation at 7:00pm and a special dining experience starting right after the Awards Presentation.

As a nominee you will receive two complimentary drink tickets with your ticket reservation. Tickets can be purchased for the evening's festivities through the IAMP. Registration forms are available through the IAMB office or online at www.iamp.biz.

The IAMP is very proud of its twenty-two years, the growth of the industry and the individual members that make it the best in the world.

Again, congratulations and it is our hope that you will be at the awards festivities when we say, "And the Winner is....."

Sincerely,

Jorge G. Gomez
President
